

Submitter: David Farris

On Behalf Of:

Committee: Senate Committee On Judiciary

Measure, Appointment or Topic: SB243

I oppose this bill. This bill and it's attachments do nothing but punish those who lawfully purchase and possess the items. Forcing restrictions on the legal purchase by responsible parties will not stop the criminals who are buying illegally and using them illegally. This will make it harder for law abiding citizens to protect their families and exercise their 2nd ammendment rights.
