I am in opposition of this. What is it going to cost the already strapped tax payers of Oregon? How will we staff OSP to handle this new work load. 146000 guns were sold in oregon in 2024. Lets just say it's 100000 back ground checks. Thats alot of work for a already understaffed OSP. A 18 year old kid can go risk his life for our country but can buy a gun till he is 21 is crazy. Moms demand action right well i demand my elected officials not turn me into a criminal. I demand my elected officials have more transparency. I demand my elected officials quit trying to push un constitutional bills.
