I am a resident of NE Portland, Oregon, and I do not want a single tax dollar to go towards a baseball stadium for a baseball team owned by billionaires. Oregon's tax money should be funding education, transportation, healthcare, etc. that directly benefit Oregonians. If a baseball team wants a stadium in Oregon, they should pay for it themselves without any public money. If the bill is passed, I will make sure to vote out every incumbent congressman in Salem. This is class warfare by the rich against Oregonians; it's time to fight back.
