On Behalf Of:

Committee: Senate Committee On Judiciary

Measure, Appointment or Topic: SB243

I oppose senate bill 243. This bill will turn hundreds of thousands law abiding, honest Oregonians into potential felons while doing little to protect people. the bill will not stop criminals from doing bad things yet prevents honest citizens from being able to defend themselves. Let's not forget the thousands of people it will put out of work and cause countless businesses to close down. I also question the constitutionality of this bill. Please vote no on this bill. SB 243. thank you, Larry L. Powell, The Dalles
