

Submitter: Denise Holly

On Behalf Of:

Committee: Senate Committee On Human Services

Measure, Appointment or Topic: SB611

As a low-income working single parent, I relied on food assistance while I raised my daughter. Now I am a senior on Social Security, working part-time, and I appreciate the small amount of SNAP benefits I receive. A person cannot maintain good health without good food, and now it costs more than ever. Everyone has a right to healthy food, regardless of where they were born.
