

Submitter: Adam Wink

On Behalf Of:

Committee: Senate Committee On Judiciary

Measure, Appointment or Topic: SB243

Oppose this bill. This is a bad use of tax payer money to "fund" and abstract data. Bills like this are gateway bills and what cause citizens to lose faith in Legislators who are elected to bring real change and do the greatest good for the greatest number of people. This bill, like most brought to the public from the progressive Left is a drain on taxpayer money, drain on the system and a drain on taxpayers patience with Legislation.
