On Behalf Of:  
Committee: Senate Committee On Natural Resources and  
Wildfire  
Measure, Appointment or Topic: SB512

There is strong community support for rebuilding Rock Creek Hatchery.

I directly benefit from Umpqua Basin fish reared at Rock Creek.

I support ODFW's plan to rebuild Rock Creek Hatchery with a primary focus on Spring Chinook and trout, while rearing South Umpqua fish in a satellite facility on the South Umpqua River.

SB 512 will allow Rock Creek Hatchery to refine its operations while ODFW's reconstruction plan is implemented.
