Measure, Appointment or Topic: SB243
Re: SB 214.

As an Oregon Elector I hereby submit testimony against this obvious placeholder bill that will surely be gutted and stuffed as an omnibus anti-gun bill.

The practice of gutting and stuffing shows your intent to deceive and oppress the law abiding citizens of this state and keep people in the dark regarding your true intent.

I vehemently oppose this practice and appose anything this bill will surely be amended to contain..

When it DOES happen it will be absolute proof of my suspicions written within this testimony. A travesty of the legislative process.

I am sickened that our Legislators are willing to go to this length to press their unfair and misguided agenda. This abuse of power is inexcusable.

Please do the right thing and Vote no on SB243, or better yet, honor your oaths of office and remove it from the docket completely.

In liberty,

Don Denning.
