SB243

I oppose Senete Bill 243 as it violates all of Oregonians Second Amendment rights. The biggest thing about this bill that it would raise the age to own a rifle up to 21 years old. If this bill were to be put in place, it would make thousands of young Oregonians who have rifles, a Felon. Our military has 18 year olds that protect this country, so why can't civilians have the right to protect their family or neighborhood.
