Committee: Senate Committee On Natural Resources and
Wildfire

Measure, Appointment or
Topic: SB75

I oppose SB75. The bill and the continued proposal of this bill have done irreversible damage to our property values and rights. We have lost our home insurance multiple times due to the fire map. We face regulations we cannot afford. The stress and mental anguish this bill has caused to the home owners of Oregon is undeniable. Please help us to stay in our home and oppose SB75
