

Submitter: Eileen Odum

On Behalf Of:

Committee: Senate Committee On Judiciary

Measure, Appointment or Topic: SB243

Please pass this important bill in memory of all the adults and children who have died from gun violence in Oregon. Here in Portland we have had two teenagers shot and killed in the last week. This is not an abstract issue. This is about the safety and security for all of us, our children, and grandchildren.

Thank you, Eileen O'Neill Odum
