

Submitter: David Wildman

On Behalf Of:

Committee: Senate Committee On Judiciary

Measure, Appointment or Topic: SB243

I am in opposition to this bill as it limits 2nd Amendment rights related to concealed carry permits. This bill opens a pathway to restrict all legal concealed carry permits holders from being being allowed to carry a legal weapon in certain areas were self defense may be needed. The proposed bill is poorly written and would likely end up stalling out with court battles. I encourage our senators and representatives to vote no on this bill.
