On Behalf Of:

Committee: Joint Committee On Ways and Means Subcommittee  
On Education

Measure, Appointment or Topic: SB5516

Please keep the funding for public education. My family relies on this money to ensure a valuable education experience. I have 3 successful adult daughters who all went through public school education and I have 3 grandchildren in public education schools, 2 of which have special needs. This money is vital to their continued education and success in life. Thank you
