

Submitter: Zach Windler

On Behalf Of:

Committee: Joint Committee On Ways and Means Subcommittee
On Education

Measure, Appointment or Topic: SB5516

Portland Public Schools are severely underfunded. My kids are in elementary school and every year since they started staff and programs have had to be cut and parents have had to fund programs out of pocket from 3rd party vendors to make up for deficiencies.

With less federal stability and the threat of defunding schools at the federal level it's our obligation to increase our state funding.
