

Submitter: Charlene Wells

On Behalf Of:

Committee: Senate Committee On Finance and Revenue

Measure, Appointment or Topic: SB110

This has to come somewhere from state funds, in order for it to go forward. It's can't possibly come from income of players and teams which is not there yet. with all of the budget shortfalls and issues needing to be addressed in this state which require funding from the budget, building a baseball stadium should not be a priority. I think it would be a poor investment of funds.
