

Submitter: Steve Ryder
On Behalf Of: Myself
Committee: Senate Committee On Natural Resources and
Wildfire
Measure, Appointment or Topic: SB75

I oppose sb 75. It is the state and Federal Forrest management that is the problem. Undergrowth and faster response time with reasonable logging. The fire risk map must go. My homeowners insurance has tripled in in last two years. Enough of the bureaucracy. Senator Golden you are not a fire fighter. You bring California bureaucracy to Oregon. STOP!!
