

Submitter: Lora Laney

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB210

Dear Sir,

To be able to vote is a privilege. Unlike a mail in ballot that can get lost in the car, accidentally thrown out, or misplaced, voting in a ballot booth eliminates those problems and affirms the intention of the vote. It encourages civil discourse, 'Are you going to vote today?' Emphasizes pride in community, and pride in democratic process.

Mrs. Lora Laney
