I oppose Oregon State Senate Bill 243 for the following reasons.

1. If you are old enough to die for this country you are old enough to own a hunting rifle.
2. Nothing in this bill targets criminals, it only hurts everyday people that want to own a gun, if you want us to support gun control then create a bill that punishes criminals, raise sentences for violent crime and unlawful possession.
3. This is not the time to limit blue states ability to defend themselves.
