Measure, Appointment or Topic: SB243

As a deployed soldier for the Oregon national guard I know my wife is safe and protected because of the 2Nd ammendment and chipping away at our given rights makes my family less and less safe. Making her a criminal in some instances if these bills pass.

Under no pretext should arms and ammunition be surrendered; any attempt to disarm the workers must be frustrated, by force if necessary.

the right of the people to keep and bear Arms, shall not be infringed
