On Behalf Of: 16 year olds operate vehicles  
Committee: Senate Committee On Judiciary  
Measure, Appointment or Topic: SB697

It's legal in the State of Oregon for a 16-year-old to operate a vehicle. And to operate an aircraft, it's dangerous. 18-year-olds can vote for far-left politicians who want to take away their right to the Second Amendment of the USA Constitution to keep and bear arms, and this right shall not be infringed. What is this called, backdoor infringement! Vote these people out of office.

Remember, these same politicians want sanctuary cities that house hardcore illegal aliens and your tax dollar pays for all this crap.
