

Submitter: Mitch McClain

On Behalf Of:

Committee: Senate Committee On Judiciary

Measure, Appointment or Topic: SB243

SB 243 does not address the true problems of gun violence: mental illness and the criminally minded. 243 only hinders the owners that are law-abiding and following guidance.

I oppose 243, however encourage we address the true issues of gun violence.

Respectfully,
M. McClain
