Mail in voting is 'easy' and but should be reserved for absentee voters only. A New York Times headline from 2012, before COVID, stated fraudulent voting was increased with the use of mail in voting. “

<https://www.nytimes.com/2012/10/07/us/politics/as-more-vote-by-mail-faulty-ballots-could-impact-elections.html>” As reported by AP, Oregon itself has an alleged 1200 non citizens on the voter rolls due to DMV's missing citizenship, which allows for 1200 ballots to be used illegally. Documentaries shared 'stuffing' ballot boxes with harvested ballots. Without secure voting, we can not trust officials being 'elected' as servants to the people of Oregon. Please vote yes for this measure, without secure voting we do not have a democratic republic.
