

Submitter: Alice D'Amore

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB210

Restricting mail-in voting is yet another tactic that Republicans are using to solidify an already unchecked and growing authoritarian government, in addition to gerrymandering, unlawful arrests and deportations, and fear mongering. These tactics are terrorizing children and people of color and LGBTQIA+ folks. We are imploring the state of Oregon to NOT allow the restriction of mail-in voting.
