

Submitter: Brandon Giles

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB210

It is because of mail in voting that I have been able to participate in recent elections due to my work schedule and other limitations that make in-person voting a challenge. When I lived in other places, in-person voting was the standard and I witnessed many of my friends and sometimes myself exclude themselves from voting because of the inconvenience. I see no reason to create and that inconvenience here.
