On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB210

Oregon's vote by mail system has created one of the strongest and most effective democracies within the USA. Vote by mail allows Oregonians to vote at the time and place that best works for them. We should be continuing to lower the barriers that prevent citizens from participating in their democracy. Any move to eliminate Oregon's vote by mail system should be seen as a threat against democracy and a threat to free speech. Protect Oregon's vote by mail system!
