Measure, Appointment or Topic: SB243

I oppose SB 243 it will do nothing to curb gun violence.

All it will do is make it harder for law abiding citizens to protect themselves and practice their 2nd amendment rights.

Look at the other states that have such nonsense such as Illinois and ask yourself if it's actually working there.

Oregon has some of the strictest gun laws in the country but criminals don't follow them so this will do absolutely nothing to stop gun violence.

Thank you
