

Submitter: Cody Frost

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB210

Oregon has a standard of making voting accessible. Let's not go back to the days of Jim Crow, of intentionally disenfranchising voters, of making it harder for working class families to have their voices heard. Vote by mail allows higher participation; particularly for marginalized communities and for those who cannot afford to miss work to vote.

I oppose this
