

Submitter: Paul Baczuk

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB210

I oppose the Trump administration effort to change Oregon's voting mechanism to "in-person" versus the current mail-in ballot or drive up secure ballot box methods. The administration's justifications are not adequate or substantiated and serve to hinder voting participation and / or access. Oregon should exercise its state's rights to preserve the methods its citizens prefer and tell the Trump administration to mind its own business.
