

Submitter:

Jim Crane

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

limiting voting to in-person voting will remove the opportunity for me to cast a vote in the event that I am out of town or unable to vote due to health concerns and needs. This is applicable to others whom I know. Because of this, limiting voting to in-person voting is, unfair and discriminatory. Please retain the options of mail and drop-off box voting.
