

Submitter: Emily Toner

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB210

I am against this measure. Being able to vote by mail allows me to do it in my own home while researching each person/ballot measure insuring that I am making the best choices for me. I am also able to do it over several days at my convenience when time allows. I am a full time working parent of young kids and voting in person would be very very difficult.
