

Submitter: Shawn Adams

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB210

Mail in voting in Oregon is necessary, both for wide spread rural communities and the way that Oregon municipalities are laid out with travel bottlenecks. Laws mandating in-person voting are regressive and designed to disenfranchise the population by restricting access to the polls. Our current voting system is awesome and one of the best in the country. Leave it alone!
