Oregon's mail-in voting system is the gold standard for the rest of the country, abandoning it would be an enormous disservice to Oregonians and the national stage.

Must it be restated ad-nauseum? Voter fraud is a non-issue. The amount of ballots in question during Oregon's last election was ~%0.01 percent of the ballots received. This is nothing short of draconian and simply another attempt at voter suppression; which is far beneath us as Oregonians.
