Why do we need this? Why? One of the things I love about voting in Oregon is how convenient it is. I am a busy Mom who always has a million things on my plate, and I love that standing in line to vote isn't one of them. We are SO lucky here in Oregon to have the freedom to vote by mail, and no one even talked about this being an issue prior to Trump lying about the 2020 election. Voter fraud isn't rampant. Oregonians love vote by mail. Life is hard and complicated enough, let's not make it harder. In the words of the great Beatles, "Here comes the sun, and I say, it's alright..."
