

Submitter: Martha Wilhelm

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB210

Voting by mail has been a very successful method for Oregon voters to participate in elections. It is an inclusive. ( rural voters, those with disabilities or illnesses), convenient and informed way to provide constituents with time to contemplate the issues and candidates, vote with confidence and ensure their ballots count. I stand for voting by mail-in ballot, and I oppose an in person requirement.
