

Submitter: Leroy Johnson

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB210

I am one of the volunteers who pickup ballots. Oregon's voting system including vote by mail is a solid voting system and the people processing the votes are incredibly careful to be sure votes are valid. Added to the REAL ID system it will be even more reliable. I have lived in California and voted many times. In person mailing discourages voters, is not as secure and costs more to maintain,

I strongly urge you not to mess up a good proven system,
