

Submitter:

Ann McCann

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

As a long time Oregonian, I oppose this bill due to restrictions and difficulties associated with in person voting on the Election Day. I've experienced this in Wisconsin & Texas for years prior to living here. Voting took hours due to the number of people regardless of timing. This causes people to lose work time, negatively impacts childcare options and disenfranchises people from voting. Please reject this bill. Thank you
