As a 45 year old native Oregonian, I have never voted in person. After the 2020 election fiasco was revealed, I have become an adamant supporter of in person voting, that requires a photo ID. It is ethically immoral for the the state of Oregon to have allowed our voting system to become so riddled with fraud. WE MUST RETURN TO IN PERSON VOTING. The opposing party may say that our elections are fine, however, the number of people that DO NOT THINK THEY ARE FINE should drive a change. The number of people that believe that our elections are compromised is at an all time high. WE MUST RETURN TO IN PERSON VOTING.
