

Submitter: Karen Robinson
On Behalf Of: Self and husband
Committee: Senate Committee On Rules
Measure, Appointment or Topic: SB210

We are senior citizens, and we strongly oppose this measure. This will cause unnecessary hardship for many, many Oregonians, including us. One of the many wonderful things about Oregon is the ability to vote by mail. It's a waste of taxpayer dollars to even be talking about abolishing a successful program. OPPOSE!!!!
