

Submitter: Amy Raven

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB210

I urge you to keep Oregon's vote by mail option in place. Voting by mail allows many people such as myself a way to vote, when it would be difficult or impossible to get to a polling place in person. I'm 81, with a disability, and am only driving short distances now. Vote by mail benefits people living in rural areas, who can't get to Voting places easily or at all.
