Measure, Appointment or Topic: SB210

The vote by mail system in Oregon is the perfect example of how the entire country should be able to participate in our democratic system. No one has to miss work, hire a babysitter, call for a ride, worry about being sick, or deal with any of the other myriad obstacles that may interfere with their right to vote.

Eliminating our vote by mail system would be a travesty for Oregon voters. Please vote no on this bill.
