SB210

As a busy mom (and just generally as a freedom and democracy loving American) I vehemently oppose this bill and everything it stands for. I am appalled that the dismantling of our safe and secure vote-by-mail system would be the goal of any lawmaker in the state of Oregon, or in the country as a whole. We are supposed to be a government of the people, by the people and for the people- how is making voting less accessible living up to that creed?
