There is no reason to overturn the vote-by-mail law because of Republican legislatures in the Oregon GOP who want to capitulate to Donald Trump for political purposes! Oregon citizens voted to pass vote-by-mail initiative in 1987: 69.4% for - 30.6% against. (Per Wikipedia Article). A 2020 study ranked Oregon as the easiest state for citizens to vote in. Oregon has the highest voter turnout in the nation at 61.5%. On average 80% of Oregon voters vote by mail.

An article from the Brennan Center for Justice in 2020 said that quote Donald Trump "I think a lot of people cheat with mail-in-voting. Mail in voting is a terrible thing. I think if you vote, you should go." Not long after he requested a vote by mail ballot for the Florida primary. Such a hypocrite! Mail ballot fraud is extremely rare!

Vote No on SB210!
