

Submitter: Gail Hult

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB210

Dear Senate Committee on Rules:

I have been a resident of Oregon since 1977, and I have voted in nearly every election. For the past thirty years, I have been pleased with the opportunity to vote-by-mail. I have been proud of our state and it's ability to run fair elections with accurate ballot counts.

I am abhorred that Senate Bill 210 suggests that we should undo such a proven, successful state policy. I totally oppose this idea and ask that you stop SB 210 now in its track. Vote NO on progressing Senate Bill 210 to the Senate Floor.

Sincerely,
Gail Hult
