

Submitter: Jeannette Hoss

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB210

Voting by mail gives me the ability to take my time, do extra research and feel confident that I am making informed decisions.

I have also voted in-person in both Illinois and Missouri. Not only is traveling to a designated polling place not always feasible, but this system is rushed and does not allow for time to research candidates or measures that a person is unfamiliar with. I do not want to revert back to strictly in-person voting.
