Measure, Appointment or Topic: HB2583

As a parent of a virtual public charter student, (who chose to learn virtually due to severe bullying in public schools) I believe every child deserves equal access to education funding, no matter what type of public school they attend. HB 2583 ensures students like mine get the resources they need to thrive, just like their peers in traditional public schools. Let's make education fair for all Oregon students by voting yes to HB 2583.
