

Submitter: Tracy Stewart
On Behalf Of: Swing Left
Committee: Senate Committee On Rules
Measure, Appointment or Topic: SB210

As an Oregonian I strongly oppose this bill to eliminate our long standing vote by mail elections. In 1998 voters overwhelmingly supported vote by mail for all elections, which has proven to be successful. The voter turnout has risen as it is more convenient for voters as well as aiding the disabled who have a difficult time getting to the polls.

Please defeat this one-sided bill. Thank you.
