I oppose this bill. Please stop wasting time and get back to working on things that will help Oregonians.

Oregon's vote by mail program is efficient and effective. Mail-in voting has been proven to be safe and reliable. Mail-in voting supports ease of voting for citizens that otherwise have a hard time make it to a polling place which can be for many reasons including employment, childcare, disability, etc. Vite by mail also allows me time to research and vote at my leisure without the need for unnecessary time or travel expense. The only reason to end mail in voting would be to place a barrier to participation.

End this bill now.
