

Submitter: Mark Moran

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB210

I love Oregon's vote by mail. I never miss a vote because I don't have to sweat about day-of voting. I can take my time reading the candidate and measure statements. The only reason to rescind vote by mail is to make voting harder. Mail in voter fraud is a made up boogeymen from the right. It is a proven fact mail in voting increases voter turnout:
