I am quite satisfied by the current vote by mail system. I believe bill 210 is an attempt by the republican party to limit people from voting. Many people cannot go to the poles due to mobility issues, long distances for rural residences, and employment conflicts. The poles are always too few and far from many residences. There has been no documented fraud associated with mail in ballots, this is just an attempt by the republicans to limit legitimate voters. Reject this fraudulent attempt to disenfranchise many voters.
