

Submitter: Sandra Kay Glathar
On Behalf Of:
Committee: Senate Committee On Rules
Measure, Appointment or Topic: SB210

Oregon Vote by Mail does the following:

Allows more people to vote

Allows more time to study the candidates and issues

People don't have to take time off to vote (some can't get time off)

Child care is not an issue

The disabled, hospitalized, elderly have a better opportunity to vote

I have voted both ways in Oregon and feel that I am a much informed voter with mail in voting. AND I believe there is far less voter fraud.
